### **Can't Fail Guarantee 50 & Fabulous 12-Week Course**

Almost nothing in life that's worth doing comes with a guarantee that you simply can't lose. But that's what this guarantee is. It's my personal guarantee that, even if this is new to you, even if this is out of your comfort zone, that you WILL learn how to effectively deal with your stress so the impact on your health has the potential to shift for the better.

Naturally, this guarantee does come with a few responsibilities. You must commit to taking action on the material I present to you. If that sounds fair, then you can feel confident to invest knowing that you're fully, totally, 100% protected. Terms and conditions do apply.

To qualify for the Guarantee, you'll need to:

- 1 - Sign my legal guarantee signifying that you understand the terms of the guarantee by the end of your first day in the program.
- 2 - Follow the simple step-by-step instructions to do the assignments and put the 50 & Fabulous course into action.
- 3 - Use the coaching, support and the resources that are available to you - Keeping your Weekly Milestone Doc up to date.

Then by the end of the program if you are not confidently understanding the top 5 keys and how to apply them in order to turn your stress related health issues around, I'll keep working with you until you DO understand, free of charge.

My goal is for EVERYONE to be eligible for the Guarantee, since I know from experience that you WILL be successful WHEN you do the work. It's WAY more valuable to you to reduce your stress and to gain your health back. And I'm dedicated to setting you up for success both now and in the future.

That's why I'm more than happy to offer this Guarantee to students who do the work. I know how transformational it is to get into action and complete this process, so I'm prepared to put my time where my mouth is and make a Scary, "You Can't Fail" Results Back Guarantee.

I know from experience that if you ACTUALLY do the work, ask for help and take my advice, you'll get results. And the interesting thing is that very few people, who go all-in and work the tools for the 50 & Fabulous 12-week program, actually take me up on this Guarantee because they're making progress and handling their stress levels more effectively!

And -- by offering a big Guarantee like this one, keep in mind that it IS contingent on you being able to PROVE that you're doing the work, asking for help and implementing the advice... so remember, you do have to do the work to be eligible.
